**Subject:** Ice Rental Vaccine Verification Update

Hello everyone,

Before we enter the new year, I wanted to provide you with an update on the new government policy for vaccine verification come January 4th. Please communicate the following information with your players/participants.

**As of January 4, 2022, the enhanced vaccine certificate with official QR code will be required to access certain businesses and organizations (including Budweiser Gardens). Vaccine receipts without a QR code will no longer be accepted as valid proof of vaccination.**

**You do not need to download an app.** You only need the QR code certificate from the [provincial vaccine portal](#).

You can also call the Provincial Vaccine Contact Centre at [1-833-943-3900](tel:1-833-943-3900) to have your [enhanced vaccine certificate](#) emailed or mailed to you. You can save the electronic version of your enhanced vaccine certificate with a QR code to your phone or print a paper copy. You will need to continue to show a piece of identification with your name and date of birth along with your proof of vaccination.

**You must:**

- **not alter the appearance of your receipt. Vaccine certificates can be laminated but it may impact the readability of QR code**
- **ensure that any information you provide is complete and accurate**

**\*\*PLEASE NOTE THAT WE MUST BE ABLE TO SCAN YOUR QR CODE FOR YOU TO GAIN ENTRY\*\***

### **Medical exemptions**

If you are unable to be fully vaccinated because you have an **active medical exemption**, you need to show the following two items in settings where proof of vaccination is required:

- your valid personal identification

- a medical exemption (where applicable) by downloading and showing your [enhanced vaccination certificate](#) with official QR code

**As of January 10, 2022, a written medical exemption will no longer be accepted to access businesses and organizations that require proof of vaccination.**

**If you received one or more of your doses outside of Ontario**

If you received one or more doses of the COVID-19 covid 19 vaccine out of province, [contact your local public health unit](#) to register your information and receive proper documentation. They will verify and record your vaccination records in COVaxON. If you do not have an Ontario health card, they can provide you with a unique pass code called a COVID ID.

Once recorded, you will be able to obtain an enhanced vaccine certificate through the provincial portal at [COVID-19 vaccination provincial portal](#) or by calling the Provincial Vaccine Contact Centre (PVCC) at [1-833-943-3900](#). The contact center agent can email you a secure URL so you can access your vaccine certificate.

If you have any questions at all, please do not hesitate to ask.

Happy Holidays!

Regards,

**JUSTINE SMITH**
